INTRODUCTION TO THE WINGS

PRESIDENTIAL WING

“In essence, the Presidential Wing orchestrates all internal club affairs to ensure that every other wing functions without a hitch. Beyond that, we act as the master function, optimizing and amplifying the capabilities of all other wings. Just as an efficient algorithm minimizes complexity, we aim to streamline all Computing Club's operations by providing the essential infrastructure and support. In the world of code, efficiency and precision are key." Similarly, we seek to be the core library, powering and integrating all Computing Club's events seamlessly.”

- Javian Ng, 26th President

The President Wing comprises of our General Secretaries, Tech Leads and Finance Secretaries, to support all club events and operations.

INTERNAL RELATIONS WING

“In Internal relations, we aim to be the bridge that connects you with the heart of SoC. We are here to ensure that your voices are not just heard, but valued and acted upon because YOUR concerns matter. We want to foster a strong bond between the student body and the school, all within an environment where students thrive not only in their studies but also enjoy a vibrant and fulfilling university life!”

- Reina Tng, IR Vice President

The Internal Relations Wing comprises the Sports and Welfare Cells, to meet students’ wants and needs in order to enrich your experiences in SoC. We hope to support the student population by catering to their mental and physical wellness through our various initiatives.

EXTERNAL RELATIONS WING

“Here in External Relations, we are dedicated to shaping the image of Computing Club. We aim to forge strategic partnerships with external organisations to bring our events to life, while forming meaningful connections with our very own SoC students through our beautiful publicity and merchandise! We hope to be the bridge that connects Computing Club with the broader world and bring more valuable opportunities to our students!”

- Koo Jay-Lynn, ER Vice President

The External Relations Wing comprises the Publicity Cell and Marketing Cell. We aim to connect with the student population and bring in external stakeholders to enrich their time here in SoC.

INTRODUCTION TO THE WINGS

STUDENT DEVELOPMENT WING

"In Student Development, we aim to provide all students with holistic development through their uni lives. The Student Development Wing has a wide array of events prepared for you from academic to community engagement events! These events ensure that you will not only be able to expand your network and knowledge in SoC but also forge greater bonds with the wider community!"

- Ng Le Xuan, SD Vice President

Our Student Development Wing comprises Academic Liaison, Community Engagement and Rag & Flag cells. We aim to offer platforms to support students in their future endeavours, such as through various events, initiatives and opportunities.

STUDENT LIFE WING

"With student life being an integral part of SoC, our Student Life Wing strives to create more opportunities for all students across SoC to take part in invigorating events, and maintain consistent engagement with the student body. More importantly, we want to make SoC a place where students can feel comfortable and at home away from home."

- Nathan Loo, SL Vice President

Our Student Life Wing comprises Freshmen Orientation Projects and Student Engagement Cells. We strive to meaningfully engage with the students to hear the voices of our diverse community. We hope to build a vibrant student life and improve upon the feedback we receive.

FREQUENTLY ASKED QUESTIONS

- **WHAT ARE THE ITEMS I NEED TO PREPARE?**
  Awesome that you're considering joining us! You'll have to submit the nomination forms to elections@nuscomputing.com together with their related material. If there are no issues with the nomination, candidates can start preparing the publicity materials for their campaign.

- **WHAT'S THE COMMITMENT LIKE?**
  The amount of commitment varies between every role and also depends on the number of initiatives/events you wish to push out. Contact the respective MC members for a clearer understanding of the commitment level. You can reach us at elections@nuscomputing.com!

- **WHAT ARE ALL THE ROLES IN COMPUTING CLUB?**
  You can find all the roles and their responsibilities on our website, accessible via the QR code on the first page of this pamphlet.

- **CAN I TRY FOR MULTIPLE ROLES?**
  Yes, you can indicate your second choice in the nomination form.

- **CAN I JOIN OTHER CCAS WITH COMPUTING CLUB?**
  Yup, you can be part of multiple CCAs in NUS. However, if you are intending to run for President, you cannot be the President of another CCA. We recommend checking your timetable and calendar to ensure there aren't any other major commitments that may compromise your best work with us!

- **ARE THERE ANY PRE-REQUISITES?**
  There is no pre-requisite to be in the Computing Club Management Committee, except that upon election, you are required to perform and learn on the job leadership, management, communication, processes, and procedures of the Union, and day-to-day execution of your portfolio.

- **CAN I CHANGE MY DECISION?**
  You can pull out of elections at any point in time, just let us know! The positions you include in your nomination form is not final; you make your decision during the Internal Elections. If you are unsure of which position but want to be a part of the management committee, join us for externals first and decide after!

If you have any other questions, feel free to reach out to us via email at elections@nuscomputing.com!
